

Established Tire Shop in the Grey-Bruce area since 1991!

What an amazing opportunity to be your own boss or even expand!!

One storey detached structure used in the retailing and service/installation of tires--with a specialty for commercial vehicles and roadside service. 5,240 square feet of size encompassing: a showroom, offices, storage, staff room, washrooms, shop area, and rear storage. Business is fully equipped with a strong client base of 30 years.

Situated between Grey and Bruce County, and being 2 hours away from the most metropolitan areas in Southern Ontario, the Tire Shop receives lots of business from the abundance of surrounding farms, year-round tourists, and transportation trucks. The Counties' proximity to the GTA area increases its appeal as a potential industrial region!
