FLEET PROGRAM

VEHICLE MAINTENANCE

As a full service mechanic shop, we have the ability to tailor fleet maintenance programs to fit your needs.

THE RIGHT SOLUTION FOR YOUR BUSINESS

Service

We can pick up and drop off your vehicles for your convenience.

Scheduled Maintenance

Vehicles have recommended maintenance schedules. We will ensure all the necessary maintenance is completed on time to keep your fleet running as long as you need.

Schedule

We will make recommendations on when each of your vehicles need the next appointment.

Fleet Survey

We will create, update and constantly evaluate your vehicle fleet information so we know the status of each vehicle at all times.

Safety

Maintenance is important not only for vehicle longevity but also for vehicle safety.

MAINTENANCE PLAN

Know what is needed at every step.

Commercial Accounts:

KEEPING THINGS EASY

Pomp's Tire Service Commercial Account will allow your business to be billed once a month. All your vehicles and each invoice will be compiled and billed only once. Less paperwork and fewer payments to be paid. Also, your employees can sign the invoice when work is complete removing the need for the owner to come in to pay after each visit.
