FOR IMMEDIATE RELEASE

Estes Garage Named 2023 Southeast Division NAPA Auto Care Center of the Year

Tupelo, Miss. (March 20, 2023) – Estes Garage, a family owned and operated automotive shop since 2006 located in West Tupelo, is proud to announce they have been chosen as the 2023 Southeast Division NAPA Auto Care Center of the Year. The Southeast Division includes Florida, Georgia, Alabama, Mississippi, and Tennessee. There are currently 18,461 NAPA Auto Care Centers across the United States.

In 2022, Estes Garage achieved the coveted status of NAPA Auto Care Gold Certified. The Gold Certified program is designed to help the most committed NAPA Auto Care partners accelerate their business growth by providing a higher level of customer satisfaction. All NAPA Gold Certified members share a uniformed standard of excellence. Meeting the criteria required commitment, dedication, and hard work from the entire team at Estes Garage. All technicians are ASE (automotive service excellence) certified, one is a master technician, and two others are currently working toward the master tech status. Each Estes Garage technician holds an associate degree in an automotive related program. There are only 611 Gold Certified NAPA Auto Care Centers nationally. Estes Garage is the first and only Gold Certified Auto Care center in North Mississippi.

To provide the best customer service is the main objective at Estes Garage. They have continued to grow their business, which now includes three expansions, 12 lifts and 14 bays to be more productive for their customers. Now, as a Gold Certified Auto Care center, Estes Garage can provide a 36 month/36,000-mile peace of mind warranty for qualified repairs. The NAPA Auto Care warranty means customers can go to any NAPA Auto Care Center in the country to utilize their warranty and receive great customer service.

“The entire team at Estes Garage truly appreciates all our customers for their loyalty and continued support. We look forward to using our knowledge and experience to continue serving our wonderful customers and meeting all their automotive needs in the future,” said Estes Garage Owner Kevin Walls.
