Pursuant to Arizona Revised Statutes § 49-558.02(B)(7) the vehicle shall be taken to a Participating Repair Facility. Any repairs performed at an unauthorized repair facility shall not be eligible for payment.

THIS AGREEMENT IS SOLEY BETWEEN THE FACILITY AND THE CUSTOMER.

The above customer shall be responsible for a \$100.00 co-pay to the Participating Repair Facility named above. A.R.S. §49-558.02(D)(1). The VVRP will contribute a maximum of \$900.00 for a total of \$1000.00 for the emissions related repair. A.R.S. §49-558.02 (D)(2). Any repairs agreed upon exceeding the \$1000.00 shall be the sole responsibility of the customer. A.R.S. §49-588.02(D)(2). These limits apply to all gasoline and light duty diesel vehicles 8500 GVWR or less. Heavy-duty diesels, 8501 GVWR and more, have a \$1,000.00 repair cap. Any repairs exceeding the \$1,000.00 cap shall be the responsibility of the customer. A.R.S. §49-558.02 (D)(2). In addition, if the owner agrees to participate in the VVRP, the vehicle shall be returned to any test station for a post repair inspection within 7 days. If the owner is unable to take the vehicle for its post repair inspection and retest at any emission testing station, the owner may pay the repair facility \$25.00 to take the vehicle to emission testing stations. If the customer decides to opt-out of the program, they shall be charged a \$75.00 diagnostic fee paid to be paid to the above Participating Repair Facility. **Acceptance into the VVRP is a one (1) time option. The owner shall not take the above vehicle to another Participating Repair Facility for participation in this program.**

As an assurance that the vehicle repair is complete and program requirements are met _____ takes the vehicle through the post repair inspection test and charges \$25 as allowed and stated above.
