

Coronavirus (COVID-19) Precautions Update

To Our Purcell Community:

As we, together, manage getting past the COVID-19 virus, please be assured that at Purcell Tire & Service Centers, we are open for business to keep you on the road —and we are taking every measure necessary to ensure a clean and safe shopping environment when you pull up for tires and automotive service. With the health and safety of our customers and employee top of mind, we are adjusting daily routines at all store locations in accordance with guidelines provided by the CDC:

- Every member of our team is uniquely aware and engaged in heightened cleanliness practices and social distancing.
- We are disinfecting hard surfaces frequently to minimize the spread of contaminants.
- Any member of our team experiencing symptoms will be instructed to stay home, seek medical attention, and take measures to further care for themselves and their families.

We are grateful for your business and the opportunity to be of further service.

Take care and be well,

Purcell Tire & Service Centers
