SUBJECT: Thanks in advance!

Hello MATDA Members,

There has been a delay on sending out the membership renewal this year because we were putting the final touches on a GREAT health insurance option for our members. **Blue Cross and Blue Shield** are partnering with us to provide this needed service.

Also coming up are two other programs for **payroll and HR** services, that as a MATDA member, you can take advantage of! You must be a member to realize the savings for any of these new options.

Don't forget our long time partner **Federated Insurance** for your property/casualty and workers compensation insurance needs. In addition you can get business forms, CIMS forms and calendars through the MATDA office.

These discounts will easily offset any dues you pay to help support your industry trade organization and much more..

Please feel free to contact myself at (785) 354-1410, or Shawn Herrick at 785.286.1110 if you have any suggestions or issues to discuss.
